PRINCIPAL'S MESSAGE

Dr. Vandana Chauhan
Principal
Kamlakant Shukla Institute
Bhatpara

It is a tradition to take time to pause, turn around to look at the fruitful year gone by, achieving both expected and unexpected, setting various milestones and synergizing ourselves to move ahead to face the challenges in the coming year, with a positive attitude.

As we share the updates of our activities, we take the modesty to say that we did our best as we had planned and we are proud of our students and teachers who strive hard to achieve beyond expectations. Our college has honed and fine-tuned a learning and life skilling system that has been benchmarked across the Village.

Each of these achievements and initiatives is a step forward in our mission to nurture our students in the right way. Our journey this year has been a story of growth, success, and dedication, and none of this would have been possible without the support of management, the hard work of our teachers, the enthusiasm of our students and the blessings of the stakeholders.

We are here to recount with immense pride our achievements for the academic year 2024-25.

CONCLUSION

I would like to conclude by extending our sincere thanks to all the parents and each and every one of our well-wishers who have supported us through the years, in every step of our journey. We are grooming our students to be confident, happy and secured youth of tomorrow so that they move with confidence from the familiar, safe cocoon of the home and college to the uncertain, challenging world outside.

KAMLAKANT SHUKLA INSTITUTE is progressing in leaps and bounds towards its mission-“Empowering through Education”. Yet, in today’s world, no institution of repute and quality can afford to sit on its laurels.

We will continue to work hard and stand committed to our pledge for bringing out the best in each student and reaffirm that “Every child of this college is an Asset”.
